United Asset Strategies, Inc.
666 Old Country Road Suite 104
Garden City, New York 11530**

Dear Ms. DeLorenzo:

United Asset Strategies has become a great supporter of blood drives by sponsoring an annual drive at your business every June. For the past three years you have actively recruited tenants in your building and have provided thank you gifts to donors.

Companies like yours that lead by example are what are necessary to help us maintain an adequate blood supply for Long Island. We need more than 800 pints of blood every day, and we are extremely grateful for your willingness to host these drives.

It is wonderful working with Mat DeLorenzo for these past two years and being able to count on his diligence and commitment to our cause.

Very truly yours,

**Marian Haberman
Account Manager**
